RE: HB7013 – Special Districts Performance Measures and Standards

This final report is submitted in compliance with recent legislative requirements established by the Florida Legislature during its 2024 session to enhance accountability and transparency for all special districts.

District Management had identified the following focus areas with statutorily compliant goals for the Fiscal Year 2026:

- Community Communication and Engagement
- Infrastructure and Facilities Maintenance
- Financial Transparency and Accountability

In addition, a standardized annual reporting form was created to serve both the goal-setting and yearly reporting statutory requirements.

The goals, objectives, performance measures, and standards discussed herein represent the adopted framework by the Board of Supervisors to maintain compliance with House Bill 7013 and demonstrate the District's ongoing commitment to transparency and public accountability.

This report details the accomplishments for the Fiscal Year 2026, confirming that all goals and objectives were met, outlines the performance measures and standards employed and the District Engineer's yearly infrastructure condition assessment.

District Management recommends this report be accepted as the official and final Annual Report required under Florida Statutes Section 189.0694 and related provisions.
